Course content

Aviation safety objectives:
• Definitions
• Acceptable level
• Results
• Safety programs

International conventions:
• ICAO organization
• Chicago conventions principles
• Standards
• Definitions

European regulations:
• EASA organization and responsibilities
• EASA regulations and approvals

Airworthiness regulation:
• ICAO principles
• European type certification process
• Airworthiness documents
• Approval of changes
• Continued airworthiness

Operations regulation:
• ICAO principles
• EASA Air operations regulation
• Air operator
• Operations manual
