<td>Asia and Pacific</td>
<td><a href="mailto:daniel.alazard@isae-supraero.fr">daniel.alazard@isae-supraero.fr</a></td>
</tr>
</tbody>
</table>
NON-DEGREE EXCHANGE

It is not possible to mix courses from different years (typically, your learning agreement can’t include courses from both the 2nd and 3rd year).

Admission to the 2nd-year (equivalent to Master’s 1st year)

- One semester (semesters 3 or 4) or Full academic year
- You must have completed at least 3 years (180 ECTS in Europe) of higher education in your university.
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 2A”)
- Be sure the courses you plan to take at ISAE-SUPAERO, as well as the number of credits, are approved by your home university. On the other hand, ISAE-SUPAERO expects you to take as much scientific courses as required to validate a minimum of 20 ECTS per semester or 40 ECTS for the entire year.
- The 4 electives courses (Semester 4) will be chosen later during the academic year.

Admission to the 3rd-year (equivalent to Master’s 2nd year)

- One semester (semester 5) or Full academic year**
- You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university
- Academic program available on our website (blue box, right-hand side “Catalogue d’enseignement 3A”)
- You have to choose 1 multidisciplinary field (so-called “domaine” in French) and 1 major (so-called “filière” in French). It is not possible to mix courses from different multidisciplinary fields. Nor it is allowed to mix courses from two or several majors.
- At the time of applying, you will be requested to select 3 fields and 3 majors (rank them by preference). The number of students per field (resp. major) is limited. The admission committee will decide which field and major you are allowed to perform or not.
- Be sure the courses you plan to take at ISAE-SUPAERO, as well as the number of credits, are approved by your home university. The minimum number of ECTS required by ISAE-SUPAERO is 6 for the field and 10 for the major.
- ** The internship (so-called the “End of Study Internship”) is scheduled at semester 6. If you want to spend the whole year (S5 and S6), you have to register for the DES Diploma [Diploma of Higher education]

NEW

DES DIPLOMA

- Non degree exchange students can register for the Diploma of Higher Education (DES Diploma) proposed by ISAE-SUPAERO
- Dedicated to students from partner universities admitted to the ISAE-SUPAERO 3rd year engineering program (semesters 5 and 6)
- Not compatible with the Erasmus+ student status

Additional services offered to students registered to the DES Diploma:

- 3 or 4-week intensive language course in august
- Proofreading of your resume and other benefits from our Career center
- Possibility to register to additional trainings (attested by a certificate) scheduled in April and May of the relevant academic year
- Possibility to register to a research master taught in parallel to the 3rd year curriculum

2021/2022 Tuition fees: EU students: 2 895 € / Non-EU students : 4 965 €
DOUBLE DEGREE

Admission to the 2\textsuperscript{nd}-year (equivalent to Master’s 1st year)

\begin{itemize}
  \item You must have completed at least 4 years (240 ECTS in Europe) of higher education in your university.
  \item All the courses are mandatory (2\textsuperscript{nd} and 3\textsuperscript{rd} years).
  \item Academic programs available on our website (blue box, right-hand side “Catalogues d’enseignement”).
\end{itemize}

How to apply?

\begin{itemize}
  \item Students must be nominated by their home university.
  \item ISAE-SUPAERO doesn’t accept free mover applications. Applying as an exchange student is possible if your home university and ISAE-SUPAERO have signed an Erasmus+ agreement or/and a bilateral or double degree agreement.
  \item Nominated students receive by email the application instructions and the link to the online application form.
\end{itemize}

Application deadlines

For Autumn Semester [= semesters 3 & 5] or full academic year \textbf{April 15, 2021}

For Spring Semester [= semester 4] \textbf{October 30, 2021}

Required documents

\begin{itemize}
  \item Application Form
  \item Motivation Letter in French
  \item Resume in French
  \item Transcript of Records from all previous higher education study years
  \item French level certificate
\end{itemize}

Language of instruction and requirements

\begin{itemize}
  \item Our engineering program is fully taught in French.
  \item French – B1 (CEFR) is \textbf{required}. An official certificate is asked except for double-degree and DES diploma applicants.
  \item French intensive courses are offered in August for double degree and DES diploma students.
  \item Regular French courses are organized during the academic year.
\end{itemize}

Academic calendar

\begin{itemize}
  \item 1\textsuperscript{st} YEAR
    \begin{itemize}
      \item 1\textsuperscript{st} SEMESTER (S1) September to March
      \item 2\textsuperscript{nd} SEMESTER (S2) March to June
    \end{itemize}
  \item 2\textsuperscript{nd} YEAR
    \begin{itemize}
      \item 1\textsuperscript{st} SEMESTER (S3) Mid-August to February
      \item 2\textsuperscript{nd} SEMESTER (S4) March to June
    \end{itemize}
  \item 3\textsuperscript{rd} YEAR
    \begin{itemize}
      \item 1\textsuperscript{st} SEMESTER (S5) September to March
      \item 2\textsuperscript{nd} SEMESTER (S6) End of study project from April to September
    \end{itemize}
\end{itemize}
### ISAE-SUPAERO General Syllabus

**“Ingénieur ISAE SUPAERO” mastering the complex systems:**

<table>
<thead>
<tr>
<th>FUNDAMENTAL COURSES</th>
<th>MECHANICAL ENGINEERING COURSES</th>
<th>ELECTRICAL ENGINEERING COURSES</th>
<th>SYSTEMS &amp; PROJECTS</th>
<th>HUMANITIES</th>
<th>ECONOMICS &amp; MANAGEMENT</th>

</tr>
<tr>
<td>• Experimental Works</td>
<td>• Innovation Project</td>
<td>• Bibliography Study &amp; Research Project</td>
</tr>
</tbody>
</table>

**HUMANITIES**

- Arts & Cultural studies
- Languages & Communication
- Sports

**ENGINEERING & CORPORATE STUDIES**

Years 1 and 2: General Engineering Background & Science Minors
Year 3: “Systems” approach in a multidisciplinary Field and Science Major
Visa

Students coming from countries needing a VISA must obtain it by their own means using the acceptance letter sent by our office.
Check on this website if you need a visa or not: https://france-visas.gouv.fr/web/france-visas/accueil

Accommodation

There are 6 dormitories on the campus.
Once you receive the admission letter, you will be able to book a room.
More information at www.isae-supaero.fr/fr/campus/vivre-sur-le-campus/logement/

Compulsory insurances

- **Health insurance:**
  *If you are a European student, you will have to provide your European Health Insurance Card (EHIC)*
  *If you are a non-European student, you will have to register online at https://etudiant-etranger.ameli.fr/#/*.

- **Housing insurance:**
  Compulsory for all students whether you live in a student residence or choose private rental housing

- **Civil liability insurance:**
  Generally included with the home insurance

Students associations

Students at ISAE-SUPAERO have an exceptionally rich association life including cultural, artistic, social and athletic activities within the scope of nearly 100 clubs and associations.
