

# SSAE PROGRAM:

## SPRING SEMESTER in AERONAUTICAL / AEROSPACE ENGINEERING

Toulouse - FRANCE  
**January 19, 2026**  
to **May 29, 2026**

**Undergraduate English track**

Application deadline: October 10th

A worldwide reference in Aerospace Engineering  
<http://www.isae-supaero.fr>

The institution received the highest rank of the label «Welcome to France» which rewards the quality of the welcome offered to international students.

ISAE  
Institut Supérieur de l'Aéronautique et de l'Espace  
SUPAERO

# SSAE PROGRAM

## ISAE-SUPAERO

- / At the forefront of aerospace innovation since 1909
- / An exceptional environment in the heart of Toulouse, Europe's leading hub of aerospace industries, laboratories and universities
- / World-class research equipment and facilities: wind tunnels, turbofan test bed, flight simulators, aircraft fleet, autonomous systems platform, clean rooms for satellite integration, embedded systems platforms
- / An international campus: 30% international students, 60 nationalities
- / A vibrant, centrally located campus with residence halls and an extensive choice of sports facilities

## OVERVIEW

- / A full semester in English for junior and senior bachelor students in aeronautical or mechanical engineering program
- / An undergraduate credit transfer mobility program, no tuition fees involved for partner universities
- / No prior knowledge of French required

## ACADEMIC PROGRAM

### 5 courses of 6 ETCS each:

- / Aircraft design
- / Applied aerodynamics and propulsion
- / Aircraft structures
- / Representation, analysis and dynamic systems control
- / Research Project (12 ECTS)
- / Introduction to French language, culture and to the aerospace industry in France

Toulouse - FRANCE

January 19, 2026

to May 29, 2026

Undergraduate English track

Application deadline: October 10th
